

To earn our accreditation, we committed to the following 12 actions:

1. Reduce energy consumption and switch to sustainable suppliers
2. Reduce water use in school operations
3. Reduce paper use and move towards paperless systems
4. Discourage single-use plastics for students, staff and suppliers
5. Reuse and recycle wherever possible
6. Prioritise low-impact, local purchasing
7. Make marketing activities more environmentally responsible
8. Offset travel emissions (we support The Woodland Trust and Trees for Life)
9. Encourage homestay providers to adopt green practices
10. Include eco-friendly options in our social programme
11. Ensure all staff and students understand our environmental policy
12. Integrate environmental themes into the English teaching curriculum
